

**International Baccalaureate
Middle Years Programme
September 2016**

Welcome to Kellogg School and the **International Baccalaureate Middle Years Programme**. The **MYP** is a unique opportunity for your child. Our curriculum will hopefully challenge your child’s thinking while encouraging him/her to think differently about the world, our resources, and the ways in which we engage with others. One subject area for your child is IB design, and I will be the teacher for this subject this year. This subject is offered weekly and examines how we inquire, design, create and evaluate when solution problems.

Each design project will require research so we expect all students to become experts at citing sources and adhering to the Academic Honesty Policy. There is a considerable amount of information that you and your child will be introduced about the IB MYP. The IB MYP is a three year program at Kellogg School. It begins in the 6th grade and is completed by 8th grade. With determination and commitment to always doing our best, we will have a very successful school year. **Additional information will be given at the parent meeting on the evening of September 28.**

If you ever need additional information or an explanation, I would be happy to meet with you to clarify any concerns or issues. I can be reached at dcpajkos@cps.edu or 773-535-2937.

New IB t-shirts for all sixth, seventh, and eighth grade students will be available for \$10.00 each. We will wear the t-shirts on special curriculum days and field trips. It is a great way to build identity as a class and as an IB MYP program. Please complete the form below and send the \$10.00 fee in an envelope with your child’s name.

Mrs. D. Pajkos
IB MYP Coordinator
Kellogg School

Child’s Name _____ **Room Number** _____

t-shirt size (circle one)

small medium large extra-large

Please place completed form and \$10 fee in an envelope, and return to homeroom teacher by September 23.

When ordering, keep in mind that t-shirt sizes are adult sizes.
